EXCO-COMMUNICATION: April 28, 2022

OMEP'S ACTIONS REGARDING THE WAR

OMEP continues working to **DEMAND URGENT PEACE, DISARMAMENT AND DIALOGUE**. We have recently signed an important joint statement (which we hope you have disseminated and shared) in alliance with the following organizations: the Early Childhood Development Action Network (ECDAN), the Early Childhood Peace Consortium (ECPC), Moving Minds Alliance, the International Step by Step Association (ISSA), the Asia-Pacific Regional Network for Early Childhood (ARNEC), the Africa Early Childhood Network (AfECN) and the Arab Network for Early Childhood Development (ANECD). **For more information, click on this link:**

Apart from this, the World Presidency has been in permanent communication with the National Committee of OMEP Ukraine, and various committees around the world are collaborating with the Ukrainian people and children by sending money donations. In this regard, Tatiana and her team have opened a new bank account:

(Назва підприємства/company Name): OMEP UA, account USD

IBANCode: UA393052990000026003000803627

(Назва банку/Name of the bank): JSC CB "PRIVATBANK", 1D HRUSHEVSKOHO STR., KYIV, 01001, UKRAINE

(SWIFT code банку/Bank SWIFT Code): PBANUA2X

Bulgaria and Japan have already made their donations.

The colleagues from OMEP Slovakia informed that they have spent time in a humanitarian refugee camp near the border as volunteers just after the outbreak of the war. Kindergartens have also welcomed many children, creating new and peaceful environments for all children to receive education and grow up in a healthy psychosocial environment, with excellent, caring and kind teachers. OMEP Slovakia has created a

design for T-shirts that they are selling to help OMEP Ukraine. A student created a second design that will be available for free to any country that sells T-shirts to support children in Ukraine.

Safeguarding young children impacted by the current crisis and prioritizing their survival, development, and protection is not only necessary to alleviate suffering and uphold their rights, but will also drive economic recovery and build a strong foundation for peace and security, resilience, social justice, and social cohesion.

Joint Statement on Early Childhood Development and the Ukraine Crisis

Lovingly,

Mercedes
