

OMEP - the regional section of Bratislava and its surroundings

Plan of action for 2019

The plan of action is based on the work plan of the previous year, on new facts, on activities, which have proved successful and are complemented by activities that have not been implemented in the past year.

1) Foreign Activities - Participation in the OMEP European Conference in LISABONE (Portugal)

T: April / May 2019

In the case of interest, the regional section will organize a trip for its members to Lisbon at the OMEP European Conference, which will take place in April / May 2019, and will try to involve at least some RS members.

The meeting will be preceded by a preparatory meeting, where all the members will get the necessary information, and a conference will be held after the conference, where the conference will be presented to members who do not participate.

2) Slovak activities -

Participation at the annual national conference

T: November 2019

In the autumn, the OMEP Worldwide Conference in Slovakia will take place in Banská Bystrica, and members of the regional section will take part in it. In case of interest, the regional section organizes bus transport for members for the conference.

2.2.Slovak activities - celebration Day nursery schools

T: 4.11.2019

The day of nursery schools in Slovakia is announced on 4 November and all this day kindergartens that are interested can present themselves through the various activities that this day of the day approaches the children, their parents and the general public. Kindergartens can prepare celebrations and related activities according to their own possibilities and ideas, share results by publishing in different media and joint meetings.

3) Activities aimed at improving the educational work of the kindergarten

Ethicotherapy in the practice of kindergartens

At the meeting, ethic therapy will be presented in the practice of nursery - members will have the opportunity to participate in the ethicotherapy workshop and also exchange practical experience in the discussion.

T: April 2019

Lectures, seminars and workshops where our members will meet and educate throughout the year.

4) Activities aimed at improving the management work

Participation of management staff at conferences, seminars and lectures
the themes are closely related to the control work

T: year-round

Ethicotherapy - workshop for RS OMEP members and the surrounding area

T: April 2019

5) Activities towards children and the public

- Celebration of nursery schools through various activities directly in kindergartens
- Presenting and promoting the work of the Committee, in particular by adding materials to a website
- children's creativity tours
- Thematic Day Trips
- exhibitions of child labor
- Participate in shows of child creativity
- day of open door in kindergarten
- Sports Olympics
