

Report on the activities of RS OMEP -Bratislava and its surroundings in 2017

World Organization for Pre-School Education OMEP - Regional Section

During the year 2017, Bratislava and its surroundings fulfilled the objectives set out in the plan activities this year.

In 2017, the regional section of OMEP in Bratislava was composed

Chairman: Ing. Katarína Koledová, Bratislava

N.Gregušová

Secretary: Gabriela Dome

Prof. Anna Brániková, Bratislava

2. Activities implemented in regional sections

A. Activities to improve educational attainment in kindergartens

Excursion to the GULIVER kindergarten in Banská Štiavnica (<http://www.msguliver.sk>), which is particularly interesting not only from the architectural but also pedagogical point of view, and brings many inspiration to work

T: November 2017

B. Activities with children and for children of pre-school age and towards the public children's literary creativity tours for parents and the wider public - besiedky and performances excursions of art and work creativity - Rainbow carousel

children's performances at the public: on the occasion of Mother's Day and Christmas markets, performances at Hviezdoslavovo square in Bratislava

day of open doors in kindergartens - during the registration of new children in kindergartens

involving nursery schools in various projects: healthy nutrition - a project under the auspices of Jamie Olivier

C. Activities aimed at improving the management work

Participation in conferences, seminars and excursions aimed at enriching knowledge and experience and building on cooperation

D. Activities aimed at further education

Participation in professional conferences and member training.

E. Activities of college and study - cognitive

The excursion to the Guliver kindergarten in Banská Štiavnica, which was attended by 40 members, aimed to establish cooperative co-operation in addition to learning.

F. Activities Within RS OMEP

Individual members within the RS meet and exchange their experiences throughout the year, social networks compare their results and work, add their activities in the form of videos and photos, and thus communicate other members with their activities

G. Significant activities implemented in RS OMEP

The excursion to the Guliver kindergarten in Banská Štiavnica was extremely successful, each member was extremely enthusiastic about new knowledge and experience, so this activity can be considered very important and successful.

H. Activities arising from World Days

The individual kindergartens in their own form reminded the Day of nursery schools in Slovakia

4.11.2017. They used the means of communication and children's celebrations, informing the

environment of the nursery schools with the march in the form of marching and handing out of

children's products, celebration of the Sharkan Days, the Autumn Olympics and the form of centers

of activities of the Gifts of the Earth.
