

RS Prešov OMEP Activity Report

2017

Two members of the regional section are actively working in the OMEP Committee:

PaedDr. Monika Miňová, PhD. - Chairman of the SC OMEP

Mgr. Gabriela Minčáková - economist SC OMEP

Membership was 40 members in RS OMEP Prešov in 2017.

The activities presented in the Activity Plan for 2017 have been ongoing.

1. Activities aimed at enhancing educational activities in kindergartens

Meeting of pre-school teachers for projects implemented within environmental education.

2. Activities aimed at further education

Meeting of pre-school teachers to practice. Seminar in kindergarten focused on

Communication at kindergarten - leadership of PaedDr. Monika Miňová, PhD.

Participation in workshops at SC OMEP and SPV.

3. Activities of the cooperative

Individual kindergartens in the cities belonging to the RS OMEP Prešov established a team and cooperation with the kindergartens in Poland, Hungary, Ukraine and the Czech Republic. Some kindergartens also welcomed visits from the kindergartens. Members of RS OMEP took part in a study-tour of Krakow.

4. Activities aimed at obtaining information, knowledge

Active participation at the Conferences of the Society for Preschool Education held in Liptovský Mikuláš and Banská Bystrica, at the SC OMEP conference in Košice, Prosolutions, in Starý Smokovec, Infra, in Bratislava and Raabe, in Košice and Senecké lakes.

5. Activities with children and for children of pre-school age

In the various cities of the RS OMEP Prešov, there were many activities with children, the organizers of which were members of OMEP. In Prešov there was one of the biggest

events in the World Tour of children painting “*World around us*” in May 2017.

6. Activities towards the public

Institutions in each city organised events where pre-school teachers and children had the opportunity to present their work.

7. Activities in RS OMEP

In 2017, one RS OMEP meeting was held for lack of opportunities and a variety of activities, events and conferences. Nevertheless, RS members met very often at the educational events mentioned above and via e-mail contacts.
