

RS OMEP activity report - Bratislava and surroundings in 2019

World Organization for Preschool Education OMEP - Regional Section

During 2019, Bratislava and its surroundings met the goals set out in the plan

activities for this year.

In 2019 the regional section of OMEP in Bratislava was composed

Chairman: Ing. Katarína Koledová, Bratislava

N.Gregusova, Bratislava

Secretary: Gabriela Domeová, Bratislava

Economist: Anna Branikova, Bratislava

Activities carried out in regional sections

A. Activities aimed at improving the educational work in kindergartens

Participation of the members at the ceremonial conference Legacy of the first nursing home for contemporary kindergartens on the occasion of the establishment of the first nursing home in Slovakia in Banská Bystrica

T: November 2018

B. Activities with and for children of pre-school age and towards the public

- reviews of children's literary creativity as part of performances for parents and the wider public - discussions and performances
- tours of art and work creativity - Rainbow Carousel
- performances of children in public: on the occasion of Mother's Day and Christmas Market performances at Hviezdoslav Square in Bratislava

- open days in kindergartens - during the enrollment of new children in kindergartens
- involvement of kindergartens in various projects: healthy nutrition - project under the auspices of Jamie Olivier

C.Activities aimed at improving management work

Seminar MEDIA EDUCATION, organized in cooperation with SPU

T: November 2019

Participation in conferences, seminars and lectures aimed at enriching knowledge and experience and establishing cooperation between educators from across the regional section

D.Activities aiming at further education

Participation in professional conferences, seminars and workshops, publications and training of ankles.

E. Friendship and study activities - cognitive

The kindergarten excursion to Vienna, which was planned this year, did not take place due to the lack of applicants.

T: December 2019

F. Activities inside RS OMEP

Individual members inside RS meet throughout the year to exchange their experiences, compare their results and work through social networks, add their activities in the form of videos and photos, and thus to inform other members about their activities

G. World Days activities

Individual kindergartens in their own form commemorated Day of kindergartens in Slovakia 4.11.2019. They used the means of communication and children's celebrations, familiarizing the surroundings of kindergartens with the holiday in the form of a march and the

distribution of children's products, the Day of the Kites, the Autumn Olympics and the centers of donations of Earth.

Deadline: November 2019

Bratislava, January 2020
