- ! participation of members on a workshop „Find Your Rhythm and Movement“ in Bratislava with lecturer PaedDr. Alexandra Kuruc (18.10.2017)
- ! open lessons and workshops for other kindergarten teachers - they had the opportunity to see how we can work with some kind of vegetable all day long and transform it into children's awareness. Project „Vegetable Madness“ is focused on obesity of children and the impact on children's life. Ambassador of this project is Jarka Kreškóciová Maňáková and the project itself is a part of the foundation held by Jamie Olivier. The aim of the project is point to a danger of growing children's obesity and show the danger of accompanying diseases. It also offers the option of a healthier diet and a healthy lifestyle through eating vegetables. Workshops went on 11.5, 6.6 and 12.9.2017 in Ecclesiastical Kindergarten of St. Filip Neri in Nové Zámky. Workshops were organised by the ambassador and teachers and were supported by interaction of all children.
