

## **Report on the activities of RS OMEP Prešov for the year 2022**

Two members of the regional section are actively working in the Slovak OMEP Committee:

PaedDr. Monika Miňová, PhD. - Chair of the OMEP SV

Mgr. Gabriela Minčáková - OMEP SV manager

The activities presented in the activity plan for 2021 were fulfilled continuously or were not fulfilled due to the current epidemiological situation in Slovakia and abroad.

### **1. Activities aimed at improving the quality of educational activities in kindergartens**

The planned activities were partially fulfilled within individual kindergartens. Members were sent various support materials and information that they could use when working with children.

### **2. Activities aimed at further education**

Co-organization and participation in the all-Slovak scientific conference in Prešov on the topic Context and dimensions of pre-primary education. Participation in the SPV conference. Participation of female members in various webinars and seminars.

### **3. Cooperative activities**

Individual kindergartens held online, but also face-to-face meetings with cooperative schools.

### **4. Activities for information, knowledge gathering**

Active participation in the all-Slovak scientific conference Context and dimensions of pre-primary education and methodical day Educational platform of professor Mária Podhájecká. Participation in the all-Slovak conference SPV Kindergartens in the transformations of time on October 6-7, 2022 in Piešťany.

## **5. Activities with and for preschool children**

The kindergartens carried out activities for these international days within their capacity:

2. 4.	International Children's Book Day
10. 5.	World Day - Moving for Health
28. 5.	Day of play in kindergarten
1.- 7. 10.	World Nutrition Week
15. 10.	World Handwashing with Soap Day
4. 11.	Kindergarten Day in Slovakia

Some kindergartens have joined the call for a Day of Play and a Kindergarten Day in Slovakia.

## **6. Activities towards the public**

Activities related to Kindergarten Day in Slovakia were carried out directly or in the vicinity of kindergartens

## **7. Activities inside RS OMEP**

In 2022, the personal meeting of RS OMEP members did not take place. The session of the RS OMEP presidency took place online. The members were in contact via telephone or email communication. Members of RS OMEP participated in commenting on prepared documents and legislative changes in the field of pre-primary education.
