### 2020 Activity Report

**Due to anti-epidemiological measures, many planned activities did not take place.**

**Activities aimed at improving educational activities and management work in kindergartens**

Members of RS OMEP Košice participate in seminars, conferences with the aim of obtaining information and exchanging experiences in the field of pre-primary education.

Members of RS OMEP Košice participated in a professional seminar in Slovakia:

- 24. - 25.9.2020 nationwide scientific-professional seminar Forest pedagogy in the conditions of kindergarten.

Members of RS OMEP participated in commenting on prepared documents and legislative changes in the field of pre-primary education.

Activities with children and for preschoolers

- preparation and organization of a sports olympiad at the level of kindergartens - on the occasion of World Movement to Health - May 10<sup>th</sup>.

Activities connected with the Day of Kindergartens in Slovakia

- exhibition of children's works and statements of children in kindergarten
- participation of kindergartens in an art show of children's works - organized by SV OMEP
- activities organized at the level of kindergartens

Meetings of the RS OMEP Committee were held during the year, but the membership meeting was not held due to anti-epidemiological measures.

PaedDr. Marianna Jamborová, Ph.D.

Chairman of RS OMEP
