

Activity Report of RS OMEP Komárno in 2011

RS OMEP Komárno was trying to work according to its plan. However not all planned activities were realized because of time or organizing reasons.

Committee:

Chairman: Tímea Vargová

Secretary: Jarmila Nagyová

Economist: Tímea Rumiová

The Slovak Committee has the actively working member in a regional section Mgr. Jadranka Földesová

Membership consisted of 48 paying members. In 2011, the main activity of RS OMEP Komarno was continuing in teaching and training managers in the administration of educational documentation and pedagogic diagnosis in kindergartens.

Our working was started in April by membership meeting, which unanimously accepted activity plan for RS for 2012.

- 24 April - Seminary titled

"Educational diagnosis in Kindergarten" workshop led Mgr. Gabriela Droppová, PhD in building of kindergarten at Eotvos street 64 in Komarno and was attended by 10 members and 20 non-members.

- 24 May - Seminar "Administration of pedagogical documentation" lectured by Mgr. Jadranka Földesová. The seminar took place in the building of CVC Rozmarínová street in Komarno and was attended by 40 kindergarten teachers and head teachers (including 17 members)

- We continuously attended conferences organized by the Society for preschool education e. g. conference "Digital Technologies. Environment and resources supporting personal development of the child" held in Prievidza.

The planned adventure workshop – offering interactive toys was moved to Activity plan for next year (on the request of company "Different Toys"),

he lecture of Dr.Ľ. Hrdinákovej "Tale as the Educational Means." was moved to Activity plan for next year as well. Because of time reasons, we also did not attend the conference in Martin, Prešov and The Evaluation of the World Project in Teplý Vrch.

RS OMEP Committee in Komarno was meeting whenever necessary and in cooperation with members of RS was solving current issues and problems.
