Activities supporting teachers in improving the quality of education and training in kindergartens

MENTAL ARITHMETIC in pre-primary education – we held a workshop focused on developing children's mathematical abilities through non-traditional and playful approaches.

Activities supporting the exchange of pedagogical experiences

Exchange study visits to kindergartens in Slovakia were organized as part of a conference - under the title Kindergarten is for all children on the occasion of the 10th anniversary of the establishment of Kindergarten Day in Slovakia Kúpele Nový Smokovec - which brought inspiration and new ideas for the educational process.

Activities aimed at obtaining and exchanging current information in the field of preschool pedagogy and pedagogical research

Discussion forums - we organized several meetings for kindergarten teachers, school inspectors and university pedagogues, where we discussed current topics in pre-primary education.

Activities aimed at children in kindergartens

During 2024, whole-school celebrations of commemorative days were held in kindergartens:

- April 2 - International Children's Book Day: reading and creative workshops to support children's literature.
- May 15 – World Family Day: activities aimed at cooperation between children and parents.
- June 18 – International Picnic Day: joint outdoor activities.

- September 22 – European/World Car-Free Day: promoting ecological awareness.
- October 20 – International Arbor Day: environmental activities.
- November 4 – Kindergarten Day in Slovakia: celebrations and marches in villages and cities.
