

Activity Plan for 2026

The activity plan is based on the work plan of the past year, on new facts, on activities that have proven successful and is supplemented by activities that were not implemented in the past period.

1) Excursion of OMEP members to kindergartens in the West Slovakian Region

In April 2026, an excursion of OMEP members to kindergartens in the West Slovakian Region will take place, combined with a visit to monuments, the exact program will be specified according to the agreement with individual kindergartens.

Date: April 2026

2) National activities

- Participation in the national conference in Nitra

The national OMEP conference will take place in the fall and members of the regional section will participate in it, .

Date: October 2026

- Kindergarten Day Celebration

- KINDERGARTEN DAY - Kindergarten Day in Slovakia is declared for November 4th and on this day all kindergartens that are interested can present themselves with various activities that will bring this holiday closer to children, their parents and the general public. Kindergartens can celebrate and prepare the activities associated with it according to their own possibilities and ideas, and share the results together through publishing in various media and at joint meetings. Subsequently, a collection of various activities that individual kindergartens have prepared will be compiled.

Date: November 2026

3) Foreign activities_ a prepared excursion to kindergartens in the Czech Republic in Brno, which was planned earlier, but could not take place due to illness. It will take place in kindergartens in Brno and will be associated with a visit to the Municipality and the city center of Brno.

Date: December 2026
