Regionálnej sekcie SV OMEP – Prešov

za rok 2025

Two members of the regional section are actively working in the Slovak OMEP Committee:

PaedDr. Monika Miňová, PhD. – Chairwoman of the SV OMEP

Mgr. Gabriela Minčáková – OMEP SV steward

The activities presented in the 2025 activity plan were implemented on an ongoing basis or not all were implemented.

1. Activities aimed at improving educational activities in kindergartens

The planned activities were partially implemented within individual kindergartens. The members were sent various support materials and information that they could use when working with children.

2. Activities aimed at further education

Co-organization of a professional seminar on the topic of Touch with Montessori pedagogy. Participation in the national professional conference in Prešov on the topic Kindergarten is for everyone. Participation in the SPV conference (Brezno and Piešťany), Raabe (Bratislava), Infra (online) and Rokus (online). Participation of members in various webinars and seminars.

3. Twin activities

Individual kindergartens held online and face-to-face meetings with twin schools, including through the ERASMUS+ project, eTwinning. Participation in a study tour in Olomouc (Czech Republic).

4. Activities aimed at obtaining information and knowledge
